

TREASURE VALLEY CLASSICAL ACADEMY

Mathematics & Science Teacher (7th Grade)

Treasure Valley Classical Academy is seeking a mathematics and science faculty member to teach various classes in the upper school. In the coming year, this teacher will teach classes in the range of pre-Algebra to Algebra I, as well as 7th grade science primarily focusing on the scientific method and selected topics in chemistry and biology. In future years, this faculty position will grow to include teaching subjects such as Geometry (including Euclidian proofs), Algebra II, and possibly pre-Calculus, as well as science topics including physics and earth sciences. Ideal candidates should have a strong background in mathematics (a master's degree in mathematics is desirable), as well as a background in science (an undergraduate degree or minor in one of the sciences is desirable).

Treasure Valley Classical Academy is a tuition-free charter school that will serve students in grade K-7 for the 2020-2021 academic year and grow a grade each year to become a K-12 school. The curriculum in the elementary school consists of explicit phonics in spelling and reading; grammar via traditional methods of instruction; the Core Knowledge sequence (not to be confused with Common Core) in literature, history, and science; Singapore math; and Latin and Greek roots. Daily study in Latin will be required from the seventh to eighth grade, and another year of Latin is mandatory in the high school. Great books and Socratic discussion commence in the upper elementary school. The upper-school curriculum centers on the reading and discussion of great books in literature, primary sources in history, and on a thorough understanding of both the facts and the concepts in mathematics and the sciences. The study of art and music is required K-8, and art and music electives are offered as well. To graduate, all seniors must write a senior thesis and deliver and defend it orally in front of fellow students, members of the faculty, and the principal. Teachers are hired based upon their mastery of academic disciplines and their capacity for conveying knowledge to young people. Treasure Valley Classical Academy is affiliated with the Barney Charter School Initiative at Hillsdale College.

Interested candidates should go to the employment page on the school's website (www.tvcademy.org) to apply. Certification for teachers is required in Idaho, though not necessary for initial hire. The school will work with teachers who require certification in order to complete this process within the initial 3-year teaching term.

Applicants should send a cover letter, a statement of educational philosophy (500 words or less), a resume or *curriculum vitae*, and college transcripts (unofficial acceptable initially). Questions should be addressed to the principal, Mr. Stephen Lambert at hr@tvacademy.org.

Teaching candidates must understand and support the mission of Treasure Valley Classical Academy.

virtus | scientia | felicitas
