

HEALTH EXAMINATION AND CONSENT FORM

Every student must complete a medical history questionnaire and a physical examination prior to his/her first practice in a middle-school (grades 6-8) athletic program in the State of Idaho. The examination is at the expense of the student and may not be taken prior to May 1 for the following year's activities. This examination is to be performed by a licensed physician, physician's assistant, or nurse practitioner under optimal conditions. Students who complete this examination will be required to submit interim medical history forms during subsequent middle-school years.
